Footpath Sub-committee

The footpath sub-committee has lost another member in Dennis's death and is looking for more people to join in the important work of surveying the state of the footpaths and reporting faults and deficiencies to the council. Please contact Peter Ayling (acting secretary) if you can help. Footpath volunteers also work with E.R. Council by doing repair work on stiles, bridges etc.

Walks Leaders

People who volunteer to lead walks are reminded that they should have current membership of the Ramblers Association to ensure that there is insurance cover for accidents.

Beverley Group Numbers

Although there has been a national drop in number of members of the Ramblers, the number of Beverley group members remains fairly constant. This is probably achieved through the publicity we generate and through the welcome any new members receive from the group. Well done.

Map of Small Area of East Yorkshire

If a member requires a map (A4 size) of a small area of EY, centred on a particular place, please contact Pauline Hakeney (tel no above). There will be a small charge for the map.

Beverley Group email

If you would like to be kept informed of any extra social events, walks or other Beverley Group activities which might be arranged on a more impromptu basis during the coming months, please email danywlo@yahoo.co.uk
