Walks Programme

The 2009-10 walks programme contains more than 60 Beverley Group walks, another substantial increase. We are very grateful to all the leaders who have made it possible for us to provide at least one Beverley Group walk virtually every week of the year. Particular thanks are due to the dozen or so new leaders who have come forward to lead a walk for the first time. Heartfelt thanks also to Annette Clemenson who assisted most ably with the task of recruiting leaders, compiling our programme and helping me to present it in the requested spreadsheet format.
