## **The Future of the Howden & Goole Group**

As you may know most of the Group's committee have decided to resign after the next AGM on 15<sup>th</sup> October, the secretary's position is already vacant. This decision has been taken after much thought and is due to the increased bureaucracy and administrative work from Head Office, such the child protection procedures and the proposed new walk leaders check list. As a result of this situation, Area Council is promising that there will be a reduction in the amount of administrative work that will be passed down to this group.

In order for a Ramblers Group to function it must have a secretary, chairman and treasurer but at present there are no volunteers to fill these roles when they become vacant in October. If you enjoy walking with this Group and want it to continue, please consider volunteering for one of these positions or as just an ordinary member of the committee.

Another possible way forward may be to merge with one of the other Ramblers groups in the East Yorkshire & Derwent Area. We would like to hear your views on this, do discuss it with members of the current committee on walks or at the AGM.

There is a walk programme organised up until January 2011, but due to the uncertainty of the future of the Howden & Goole Group, no walks have been planned beyond this.
