Changes to the Walks Programme

Our full walks programme can be found in your little book or on the walks finder on the Ramblers' web site. Any changes or cancellations (Due to extreme weather) will be available on the walks finder.

Longer Distance Walks

These walks are usually walked at a fairly fast pace so are more suited to the more experienced and fitter walker. (Please note the mid-winter walks start at the slightly later time of 09:30 and are slightly shorter distances.)
