

Longer-distance walks: – January to April 2010

The walks are usually walked at a fairly fast pace so are more suited to the more experienced and fitter walker. They will not necessarily have been pre-walked by the leader so the stated distances should be treated as approximate.

PLEASE NOTE THAT ALL WALKS START AT 9:00 AM EXCEPT THE GOOD FRIDAY ‘CHALLENGE’ WALK.

Anyone needing further information please contact Jack Hutchinson

Pocklington Ramblers Newsletter

January 2010

Happy new year to you all!

I hope you had a good Xmas and are now looking forward to 2010 the 75th anniversary of the Ramblers Association.

Our social activities start with a New Year Party on Jan 23rd at Burnby Hall, as last year we will be entertained by fellow ramblers. (Volunteers please contact Monica)

A spring coach ramble is being planned to Bakewell (the place where the Pudding was invented by mistake in 1859) in Derbyshire's Peak District on Sunday 18th April. Bakewell is the oldest market town in the area, has an assortment of visitor attractions and is very close to Chatsworth House.

Three walks of varying distances (6 to 11 miles) and grades are planned, fuller details being available on the coach. As this is purely a coach ramble (no meal afterwards) there will be time for refreshments, browsing shops etc. Coach leaves Market Weighton at 7.45am and Pock Bus station at 8am.

Please book your seat by contacting Val Balme. 07963019382

We are continuing our short Sunday afternoon strolls this year, please see back page for details.

Amendment to details in walks handbook.

Please note that on Wednesday 21st July 2010 the start time from Pocklington Bus Station is 10.30am and not as shown in the handbook. This is a linear walk and use of public transport between the two points is encouraged.
