Beverley Group AGM

This was held on 12th November and 20 members attended. John Tibbles, a local archaeologist gave a talk illustrating some of the finds which can be made and promised to return to tell us what archaeological features can be observed as we ramble in our local area. Reports were given about the footpath guardians, the planning applications which may spoil the existing footpaths, publicity for the Group, the work of the volunteer working party, the finances and social events which had occurred. These reports illustrated the time and effort that members of the committee have given, to ensure that all can keep walking. The committee listed above was re-elected.

The Walking Partnership

The Beverley Ramblers Group has recently joined The Walking Partnership. This partnership, supported by Ramblers Worldwide Holidays, provides direct financial contributions to local walking groups. Remember, when you book with Ramblers Worldwide Holidays, to quote the name of our Group, and we will then receive a contribution of £10 per person on UK holidays, £20 per person on short haul holidays and £30 per person on long haul holidays. This extra funding could make a difference to us.

Lifts for New Members

Annette Clemenson writes that she has been contacted recently by several people who wish to join Beverley Ramblers but who do not have their own transport. She would be grateful if anyone who is willing to offer a lift to a new member could contact her, to give your name, telephone number or email address so she may pass it on to potential new members. If you have any specific requirements regarding lifts (eg female only, shared petrol costs etc) please let Annette (email and telephone above) know so she can compile a list of anyone who is willing to give a lift.

Back Markers

People acting as back markers have an important role to play in ensuring that all members of the group arrive at the final destination. Ideally they should have accompanied the leader on his/her preliminary recce. More people are needed to perform this vital job so please speak to a walk leader if you feel you could act in this role and give your telephone number.

Group Walks Programme Spring/Summer 2014

Offers of walks for the summer programme are now needed, daytime (April to Sept) or evening (May to Aug). Please contact David Court (see above) with details of your walk. New leaders always welcome.
