

Hull & Holderness Ramblers

Newsletter

Winter 2018

WELCOME

to our occasional newsletter, and a special welcome to the 29 new members who have joined since January. We are the fastest growing group in East Yorkshire area, with 173 members in September 2018.

More members does mean more demand for walks... and we need lots of new walk leaders. If you know some good walks but are not sure about leading, we can help. Contact Walks Secretary Steve Mullarkey at aspill@aspill.karoo.co.uk. He will explain the role, and ensure that an experienced walk leader accompanies you to begin with.

AGM

Our meetings are friendly, informal and brief. Meet at the Lion & Key pub on Saturday 8th December. Details on the attached invite card, and in the Walks Booklet.

COMMITTEE

The AGM elects a new committee for the year ahead. All of the current officers have indicated that they are prepared to continue but you can put your name forward as well. We have a small committee so if you would like to offer your services as, for instance, Publicity Officer or Social Secretary, do contact us. Current positions are: Chair, Secretary, Membership Sec, Walks Sec, Footpath Sec and Treasurer.

LEAD

If committee meetings don't appeal but you'd like to contribute in some way, then becoming a walk

leader is the perfect role. Even if you lead one walk a year, that would be a big help.

MONEY

We have a small budget and have been discussing how to spend it, following feedback from our previous Group Members' meeting. Suggestions have been GPS monitors in case people get lost or injured; subscription to the Ordnance Survey online mapping; and training courses: **map reading** and **first aid**. We'll let you know how we get on with these plans. If you have any other ideas, come to the AGM and share.

STORY WALK

Follow the route of the **Pilgrimage of Grace** on 13th October, the story of Henry VIII and the Northern Uprising. An eight mile walk with an optional stop for refreshments along the way! As you can see from the Walks Booklet, this walk meets in the car park at Pocklington, with the intention of car sharing to the start of the walk in Warton. There is, however, a mini-bus/taxi service available but you would need to book asap (no charge but donations welcome). If interested, text or call Elaine on 07741 453526. Or leave a message on the facebook page.

For more news and photos you can visit H&H Ramblers Facebook page...
