

Dear Ryedale Rambler,

At last summer has come and hopefully we are on our way to returning to a new normal.

As you know we have restarted our Sunday walks. Booking is required at the moment and we are trying hard to select sensible parking and routes which avoid crowded areas.

They have been a bit shorter than normal (8-10 miles) and very successful. Thank you to our leaders without whom we would not have any walks. Jane will be putting together a programme for the autumn shortly so would like to hear from you if you can offer a walk.

We have also run the first short Saturday walk this month. It was lovely weather and 13 walkers completed a leisurely and very sociable walk from Hovingham. Followed by refreshments from the bakery. We will continue to offer these walks on the first Saturday of the month if we can get enough leaders.

The website for checking local walk details is www.eastyorkshireramblers.org.uk or via the Ramblers app. or the Ramblers website.

It is with great sadness that I have to inform you that our dear friend Terry Strickland died from pancreatic cancer in April. Terry was the mainstay of Ryedale Ramblers for many years, having kept the group going when there were no volunteers for the committee. He has been Chairman, Treasurer, Secretary and Walks Secretary over the years. We will all miss him greatly and our thoughts are with his wife Elizabeth.

Ian Gibbs has offered to be our treasurer for one year. Jane has stepped in as Walks secretary. We are very grateful. There are still opportunities to join the committee and hopefully some of you will feel able to step forward to help us keep the group going.

As we have already announced there will not be a coach ramble this year. Instead we are inviting you to make your way to Goathland on Sunday 5th September to join us for one of 3 walks followed by afternoon tea, Booking will be required and a charge of £5 collected for the refreshments as soon as we know how many we are allowed to have in the hall.

A reminder to keep Simon informed of any footpath issues that you are reporting or need to be reported via email sibetol@btinternet.com. He would also be very pleased if you can help with the monitoring.

Enjoy the summer and keep well.

Best wishes,

Penny

If you have an email address you would be willing to give Ramblers, please let Ann know, we can then email the next walks update to you, which is quicker and cheaper than posting it. Thank you. ryedaleramblers@gmail.com
