

Children In Need Countryfile Ramble

Sunday 13th October

Please save the date. We are organising a short 3-4 mile ramble starting at 11am at Castle Howard to help raise funds for Children in Need. It will be open to all so invite your families, neighbours and friends to come along. It will be free and include the opportunity to walk

through the Castle Howard estate. Volunteer helpers needed.

(Pudsey Bear hats optional)!

You can help me raise money for this great cause by donating directly to my fundraising page -

<https://www.justgiving.com/Ryedaleramble>.

JustGiving sends your donation straight to BBC Children in Need and automatically reclaims Gift Aid if you are a UK taxpayer, so your donation is worth even more.

Thank you for your support!

Simon Lyle - Footpath Coordinator

I have just taken over the role of footpath coordinator from John Harland and look forward to carrying on his good work. I am a regular walker with the Wednesday group but alas can not make Sundays at present.

I notice from the data base that in 2018 you all created 159 reports that resulted in CAMS numbers and so far this year 20 have been created. At present about half of the parishes are being covered but I am sure there are many nil returns that have not been noted. We propose to have a meeting of all monitors and helpers in October when all the holiday are out of the way and hopefully we can get more detail on to the data base and plan coverage of neglected parishes.

If you have not had my introduction email please let Jane know and I will get in contact in the mean time I look forward to hearing from those you have not yet replied and to hopefully meet soon.

Nick Summerton - Web Administrator

As the newest member of the Ryedale Ramblers Committee I have been given the job of developing our website. I would be grateful for any photographs from recent walks or any thoughts you may have about our current website.

I am also working on a programme of shorter themed walks focusing on history, archaeology, or natural history. In addition, I answer health-related questions submitted to *Walk Magazine* – most recently on Lyme disease. I am keen to get your ideas for both tasks.

My e-mail address is nsummerton@doctors.org.uk and I look forward to chatting to you on future walks.

Penny's Patch

There will be a number of changes to the Committee at the next A.G.M. as Pat John and Harry are all standing down from their roles. I would like to thank them for their enthusiasm and hard work over the years.

Luckily, we have two new members, Simon and Nick and just one vacancy for a Social Secretary. Please come forward if you are interested in joining us.

Regretably the Coach Ramble was cancelled due to low numbers but we intend to offer a shorter walk with a Sunday Lunch next Spring.
