

Dear Ryedale Rambler

Welcome to our September newsletter.

I am pleased to say that our weekly Sunday walks are running smoothly with no booking required. The monthly Saturday shorter, social walks are also continuing and have attracted a few new members. Our thanks to Jane who has stepped in as the walks co-ordinator and to all the leaders offering walks.

At the moment the walks booklet is not being published so all walks are published online and in our newsletter. The website for checking local walk details is www.eastyorkshireramblers.org.uk or via the Ramblers app. or the Ramblers website. I hope that we can continue our 'new normal' and enjoy group walking this autumn.

Group AGM

The AGM is on **Sunday 21st November** in Welburn Village Hall at 2pm. As usual there is a shorter walk (5 miles) at 10am giving time to get back for the meeting. Tea, coffee and cakes will be available. The new Area Chairman, Roy Hunt will be coming so it is a good opportunity to hear about future plans and give your feedback.

Our committee vacancies include: Secretary, Website editor, Publicity officer and Social secretary.

The current committee members are just about managing but we need your help. Fortunately Ian Gibbs stepped in as our treasurer this year and Steve Hall has offered to take over the role.

Please do volunteer to help if you can. We would welcome any offers in these areas or any help you would like to give us.

Goathland Walks and Afternoon Teas

A delightful day with three walks and a lot of cake and scones! This event was instead of a coach ramble and it was very enjoyable. Thanks to all the leaders and helpers at the village hall afterwards.

Date for the diary- Mince Pie walk 12th December at Mickie Hill, Pickering on 12th December. A short walk (6 miles) at 10am then hot drinks and mince pies in the hall from 2pm.

Congratulations to Dorothy and Roger on their Park Run achievements

Our first Park Run on 30/12/2016/ was while we were on holiday in Australia. Daughter Susan offered to buy us breakfast at Beach Bums if we did the run first. She registered us after the first run so that we would continue doing it back in York.

Since then we have jogged/walked the 5km in a number of different venues both in the UK and in Australia but York is our home course so that is where we did our 50th run and it had to be the venue for our 100th.

This photo shows Dorothy immediately after completing her 100th 5km run with me after completing my 101st 5km run. We are flanked by Dorothy's daughter Julia and our grandson Ben, who came to support the milestone run.

We should have done this run in April 2020 but Covid prevented gatherings of the five to six hundred participants that run nearly every week round the York Racecourse.

Roger

A reminder to keep Simon informed of any footpath issues that you are reporting or need to be reported via email sibetol@btinternet.com. He would also be very pleased if you can help with the monitoring.

Keep well and enjoy the autumn. Hope to see you at the AGM.

Best Wishes Penny
